

AGREEMENT IN SUPPORT OF SAFER TRANSPORT

Effective February 2010

Name of Service	NORTH WEST CHRISTIAN SCHOOL
------------------------	-----------------------------

1. School Principal

School buses are among the safest ways of travelling to and from school. Good habits and practices help to keep them safe for everyone on and around the bus.

Bus services benefit the entire school community and it is important that we recognise the value of the service and what we can all do to have them operate safely, effectively and fairly.

As the School Principal, I support the rights of all students to feel safe on their journeys to and from school. I support the efforts of all parties – operators, bus drivers, staff, parents and students to ensure the safe use of public transport services, and I endorse the Code of Behaviour outlined below and believe that it is consistent with and complements our School's Code of Behaviour.

- b. Operate the bus in a safe and appropriate fashion at all times;
- c. Behave and communicate in a professional and courteous manner towards all;
- d. Administer the rules governing travel on my buses fairly, consistently and impartially.

I understand and agree to the abovementioned rules and conditions. I also understand that failure to comply may result in my child/children being suspended from travelling on the bus. If my child/children are suspended I (the parent/guardian) will be responsible for transporting my child to and from school at my own cost. My child/children also understand and agree to the rules and conditions.
