A LETTER FROM OUR PRINCIPAL

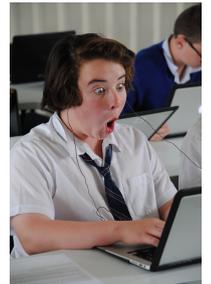

Dear Parents,

School is in full swing now and as I wander about the 'classrooms', I notice how the students have settled into routine. Even our new students have settled in well.

I've had the opportunity to watch the 'learning' that's taking place: cooking noodles over a hiking stove, making a wooden mallet, how to lay and pin a pattern out, telling the difference between three pieces of pineapple, or jumping off a waterfall. Some of these activities are challenges that stretch the mind, some are challenges that stretch the emotions and some challenge physically. We sometimes forget that education is more than just bookwork.

What I have seen in observing these classes is the success that each student achieves when they push themselves. And this year we have noticed that students are more willing to have a go. How exciting is that! Congratulations to all those who are taking up those challenges. One student on the canyoning excursion took on their fear of heights and had a great day jumping off waterfalls.

Challenge yourself, stretch yourself and watch 'you' grow

BIBLE CRUMBS FROM PR. DAVE

But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control; against such things there is no law." Galatians 5:22,23

There's something I really appreciate about Tasmania. It's their fruit. We have the nicest cherries, blueberries, apples, plums, nectarines...I don't have enough room to name them all. I don't need to though because you know what I'm talking about. You've tasted them too! There's no denying good fruit when you taste it!

This term the primary school are being taken through the fruit of the Spirit as listed above. The Bible says that if we take in the nutrients that is provided by God, naturally we grow fruit that has all the goodness listed in the Bible verse above.

But here is the challenge. Are we as parents, caregivers, and school staff growing this fruit for our children? If the answer is yes! Then Hallelujah! If the answer is no. Then Hallelujah, because you're able to turn to God to provide it for you!

We're having a great time learning about the different virtues of these fruit individually. So far, we've looked at love, joy and peace. We have six more to go. Also, make sure to check out our theme song on YouTube and play it at home. (It's called "The Fruit of the Spirit song") Try to learn it and sing along with your kids.

It's a privilege and lots of fun to share with our school community the fruit of the Spirit. Although Tasmania produces the best fruit in the world, it is our duty to ensure that our kids show the fruit of the Spirit to our bountiful corner of the Northwest. May God bless you this week.
