Dear Parents and Caregivers,

As we near the end of our school term, I wanted to thank you, our community for being part of NWCS. NWCS has taken some giant leaps over the past two years of school improvement. It is very important to us that we continue to be the best we can be for our students, parents and greater community.

We are continuing on our school improvement journey and continue to work hard as staff to ensure we are improving in and out of the class. Your feedback helps us to make sure we are improving in ways that are important to you and your circumstances.

We welcome feedback in many different forms, such as speaking to staff/principal, emails, letters etc.

However, the best form of feedback we can receive is for our community to complete the SRC insight Survey. This will be coming shortly in Term 2.

Last year we had the most families we have ever had complete this survey. This ensures that the school has your voice when we make decisions about the school. We welcome you to complete this survey again this year and have your say into the future of the school and decisions that are made.

Your feedback is very important to the school.

Our school is growing rapidly, thanks to your support and word of mouth throughout the community. Please continue to share us to your friends and families to build our school up further in the community.

Thank you for your continued support,

Brayden Morton

For this is how God loved the world: He gave his one and only Son, so that everyone who believes in him will not perish but have eternal life. John 3:16

When I was growing up, Easter and Christmas were important times for my family. My immediate family, grandparents, and any other extended family who wanted to join, would go to church and celebrate by having a big lunch. It was a great time of love and fellowship together. These family experiences helped shaped my understanding of the love that was shown on the cross.

The love of God will forever be something that no human mind will ever understand. Just to show you how much He loves you, Jesus gave up everything in heaven, became and lived a human life, experiencing the brutality, shame, and humiliation of a Roman crucifixion, all so that you and I can live with Him for eternity. Wow!

This holiday season can be difficult for families because of many reasons. If ever there is in any way I can be of assistance or support to you during this season, please do not hesitate to contact me. It would be my privilege to serve you any way I can.

As you enter the upcoming Easter season, may you know and experience the love that God has for you.

God's Richest Blessings,
Jacob Ellis
