18TH MAY 2022 | TERM 2 | WEEK 3 | EDITION 2

OUR NEW BUS STOP!

Dear Parents and Caregivers,

There are many aspects to a school that make it run effectively and allow the students to excel. This reaches beyond the teacher quality or the facilities that are on offer throughout the schools, and often their work would go unnoticed.

I would like to take this time to appreciate the many parents and volunteers that come into our school and spend their own time making this school a better place.

Mr Peter Hauck spends most of his week volunteering at the school through assisting in music, woodwork and general maintenance around the school grounds.

Mr Laurie Cox spends time working on the maintenance around the grounds of the school on top of his bus driving work.

Thank you to our Canteen Ladies (Mrs Mandy Robbie and Mrs Lorinda Morton) that volunteer their time each Tuesday to provide good nutritious food to our students and staff.

Reflecting on the new school football posts we have at the school. We could not have had these if it was not for the service of Mr Jason Robbie, Mr Pat Schultz and Mr Dean Scheermeijer who gave up their Sundays to ensure the kids have the facilities to enjoy themselves a little more at our blessed school.

Sarah Scheermeijer who runs strings at NWCS often will volunteer her time to offer extra tuition or ensemble groups to enable opportunities for those who are not currently involved.

When you think about it, there are many more people than can be seen that work hard to improve the school and offer more to each student that comes into the school.

Thank you all very much!

If you would like to volunteer some time at school, in any way you could think that would be of benefit to the school, please feel free to get in contact with me regarding this. We would love to have our parent community more involved in our school.

God bless,
Mr. Brayden Morton
Principal

"GOD HEALS BROKEN HEARTS"

BIBLE CRUMBS | THIS DEVOTION IS FROM EQUIPU ONLINE LIBRARY

"He healeth the broken in heart, and bindeth up their wounds." (Psalm 147:3)

What is a "broken heart"? Have you ever had one? We use the expression when we talk about the deepest kind of grief a heart can feel. Broken hearts are often caused by a hurtful change in a relationship with another person. If someone you love dies, or if you have to say good-bye to a friend, or if someone close to you does something to hurt you deeply, you might say that you have a broken heart. But those are just the surface causes for a broken heart. Do you know what really causes broken hearts? All of the grief, death, and sadness we experience came into our world as the result of human sin.

Jesus' heart was broken once too. Psalm 69:20 looks ahead to the time when Jesus died on the cross for our sins. "Reproach hath broken my heart; and I am full of heaviness." Jesus' heart was not broken because of His own sin; He never sinned. It was broken because of ours. All the sins of the whole world were laid on Him when He suffered and died. During those hours on the cross, He endured the awful wrath of God the Father in our place. The precious relationship Jesus had with His Father, closer and more satisfying than anything we could know, was broken while He bore our sin.

Does your God understand what your broken heart feels like? He not only understands, but He also knows how to heal it. Through Jesus Christ's suffering and death on the cross, He made a way for you to come directly to Him with your broken heart. Your grief may be the result of your own sin or someone else's. Or it may be the result of sin's effects on our fallen world. Whatever the cause, God promises to gently care for your hurting heart.

The God whose heart was broken for sin will heal your broken heart.
