Welcome to Term 3, Week 10!

Last week was an interesting week in a couple of ways. Firstly, NWCS was privileged to have a visit from one of our sister schools in Melbourne. The band from Edinburgh College was on tour in Tasmania and dropped in. They presented a one-hour concert that was professionally done. Our whole school crammed into the music room to listen to a variety of music. We even had a guest conductor for one item. After the concert, Edinburgh students made themselves available to talk to NWCS students about their musical instruments.

After they had finished learning, both schools were invited (by Mr Ackland) to participate in a Girls v's Boys soccer match. What fun that was for all who took part. And, just in case you were interested, the game ended in a 2-2 draw.

Secondly, Friday was Mrs Goodwin's last day with us. I would like to take the opportunity to thank Mrs Goodwin for her willingness to become a part of our NWCS family for a short period. Her legacy will be with us for a bit - I walked into class today to do Maths and here are two students playing with 'goop'.

It's not easy walking into someone else's class part way through the year. After the initial 'unsettledness' the class began to move forward. They worked well and even had some fun being led by Mrs Goodwin's creativity.

Thirdly, primary students dressed up like their favourite book characters last Friday. It made a colourful sight. There were princesses, spacemen, hay-chewing farmers, oh yeah and cookies! Home-made cookies! (or school made at least). What was even more exciting for me was the large number of parents and grandparents that came along to share the day.

After the parade and judging by the Year 6's, students and parents had the opportunity to share morning tea and spend time together over a good book.

Finally, over the last couple of weeks two breakfasts were organised. One for secondary students and one for primary students. There was plenty of choice on offer. Eggs, hash browns pancakes, toast, cereals and fruit. It seemed like even the more reticent student enjoyed a hearty breakfast.

Thanks Mrs Winchcombe and team for your efforts. I know I enjoyed my second breakfast that day. I would also like to thank the ADRA store in Ulverstone and the local radio station for their financial support of our breakfast club.

Before I sign off, I'd like to wish you all a safe and restful holiday period.

May God care and bless you,

*David McNeill*  
Principal

## Sporting A New Look

As most of you are aware, we have made a change to our school sports uniform. We are stocked with sports trackpants and shorts and have already sold quite a number of them already. We are phasing out the old bottoms of the uniform by the end of this year. If you haven't already purchased the new sports trackpants and shorts we suggest you don't wait too long and risk disappointment of waiting for a new batch to come in.

## Lost & Found

3 unnamed sports jumpers have been found and handed into the school office. Please check if your child is missing a sports jumper. If this is the case, please call the office and let us know the size that you have lost. If the items go unclaimed by the end of the Term, they will be placed in the second hand recycling pool.

# Bible Crumbs

## Tempted By Food

"Blessed is the man who endures temptation; for when he has been approved, he will receive the crown of life which the Lord has promised to those who love Him." (James 1:12)

Do you love to eat? Do you overeat? Do you eat to live, or live to eat? Are you tempted with certain kinds of foods? You can eat too much even of good food. Do you have any food cravings? Do you have any food addictions? When you step into Woolworths, Coles, or IGA which part of the store is tempting you?

The Bible has a lot to say about food. There are also dietary laws (Leviticus 11). The first temptation for Eve in the Bible was due to appetite. She saw the forbidden fruit in the Garden of Eden and it was pleasant to her eyes and she ate the fruit. Adam also ate and sin entered into the world. The first temptation Satan tempted Jesus was with appetite. Satan said to Jesus to turn the stones into bread. Jesus could have done this since He is God, but He never fell under this temptation. The first story we see in the book of Daniel Chapter 1 is that Daniel and his friends passed a diet test. Daniel purposed in his heart that he would not eat King Nebuchadnezzar's delicacies (this includes desserts) and drink alcohol, but rather eat vegetables and drink water. Daniel and his friends were good physically, gifted in all wisdom, and quick to understand. Is it possible that their diet had an impact on them? Yes, very likely because the physical, mental, and spiritual aspects are all connected. May you be encouraged to live healthier so that you could serve Jesus better and longer.

# ESAFETY

## Start The Chat

Children of today are growing up in a fully connected digital world. With technology changing so fast, it's important to be proactive and talk about online safety early and often. Anyone can play an important role in helping children and young people to have positive and safe online experiences - including parents, teachers, carers, siblings, grandparents, mentors and sports coaches. If you feel unsure about how to talk about online safety, you're not alone. [esafety.gov.au](http://esafety.gov.au) has a range of tools, tips and resources to help have that conversation - whether it's today, tomorrow or in the future.

# Music & Choir

## Choir

Mr Hill is currently on leave and so that means that choir is suspended till the end of this Term. Choir will resume again when he returns in Term 4. We encourage all those in choir to keep practicing their songs ready for next Term.

## Strings

Strings is also suspended and will resume again at the start of Term 4. NWCS will be inviting Dr Sue Collins back to run another workshop in Term 4. We are hoping to run this in early November if we can secure a date with Dr Sue.
