2ND NOVEMBER 2022 | TERM 4 | WEEK 3

Dear Parents and Caregivers,

I hope your term has started well. We are blessed to have the kids back with us this term and looking forward to more fun and learning for the rest of the year. I spent some time reflecting on our school improvement journey so far. More correctly I reflected on the ideals in schools. The ideal I reflect upon is the ideal learning environment for students.

When school and home are working together to support students in their learning and wellbeing, the students will flourish.

North West Christian School endeavours to nurture students each and every day. This allows students to be in the ideal learning environment understanding that they are being supported in their learning at home. With all sectors working together between school and home it builds students with worthy characters and useful members of society that achieve to their full potential.

We look forward to continuing working with our families at NWCS and we endeavour to learn how we can better support you and your family in your learning journey.

If you have any needs or barriers that are limiting you or your child's potential to working with the school, please email me: principal@northwest.tas.edu.au

God bless,

Brayden Morton

"Worship the LORD with gladness; come before him with joyful songs. Know that the LORD is God. It is He who made us, and we are His ; we are His people.." Psalms 100:1a

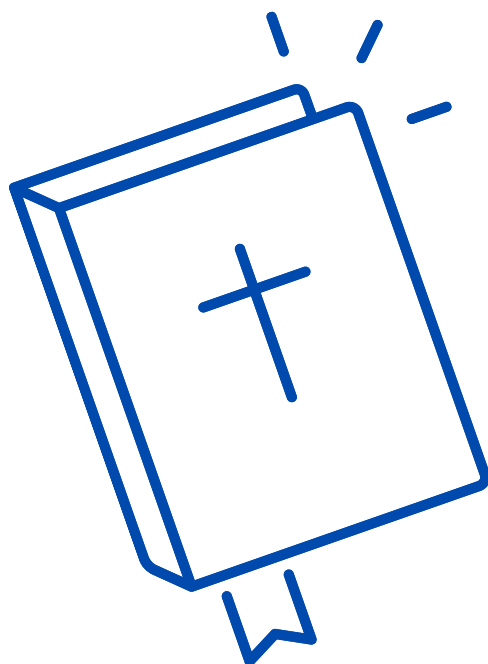

We are in the middle of WOSE (Week of Spiritual Emphasis)! Basically, everyday we are having chapel at school and we're having a blast. We have a guest speaker all the way from Newcastle, but she is a Tasmanian. Her name is Taylah. She has been telling stories from the Bible about Jacob.

Every day the kids are playing games, singing songs, and listening as Taylah shares how God has been a blessing in her life while telling us the Bible stories in Jacob. The theme of the week is "Keepin' it Real". The REAL being an acronym that stands for Relationships, Environment, Attitude and Life.

She has been encouraging our children to know that God is always with us even when it doesn't feel like He is there, that trust comes through action and not just by our words.

It is such a privilege and joy to journey through moments like these with our students. It is moments like these that I see that, education at NWCS is not just the core subjects of school curriculum but the school of life. It gives me a lot of happiness to spend time with the students, discuss life and encourage them to make important decisions.

If you have an opportunity, come join us for a time of worship. Experience the fun in singing and hearing inspiring stories from the Bible, and Taylah's stories. Or quiz the kids about what they learned from WOSE every day.

ANNOUNCEMENTS

PUBLIC HOLIDAY

Please note there will be no school on Monday (the 7th of November) due to Recreation Day.

RE-ENROLMENTS

Thank you to all those who have already returned their re-enrolment applications. Please aim to have these papers handed in to the office as soon as possible as it assists us with our administration for next year.

If you would like another copy, please contact the office.

COVID

While it is no longer mandatory to stay at home if you test positive, we recommend that keep your child at home if they are unwell. We also ask that you please take into account recommendations from www.coronavirus.tas.gov.au

ABSENCES

Friendly reminder to please contact the office if your child/ren will not be attending school as early as possible and give reason for our records. It is also important that we know if alternative/different travel arrangements have been made for students (eg. getting picked up, leaving early, arriving late, etc.)

WEDNESDAY
(2
NOVEMBER)

FREE DRESS

For the Year 12s Last Day - towards the Year
11 and 12 Camp

FRIDAY 4TH OF NOVEMBER

Gold Coin Donation

PRIMARY NEWS

Hi Parents, welcome to Term 4! Please take note of the following:

Hats

This term, students need to wear a navy brimmed hat at Recess, Lunch and when participating in PE/Sport. By now all students should have a hat to wear. If needed, hats can be purchased from Kmart. Please label the hat clearly with your child's name.

Water Bottles

Please remind your child to pack their water bottle into their bag each day to ensure they stay hydrated.

ReThink Waste Incursion

Last Friday students learnt about the importance of recycling with Sommer and Cheryl from Cradle Coast Waste Services. It was a hands-on experience and I recommend you take the time to ask your child about the incursion and what they learnt.

WOSE (Week of Spiritual Emphasis)

The theme this week is: Keepin' It Real. Each morning Taylah is sharing stories with the Primary students on 'How Amazing God Is'.

AWARDS
