

Hi Parents and Caregivers,

During the year we as a school family celebrate success together. This can happen during class, during assembly, or even during a chat in the hallway. Success can be anything from winning a basketball competition, to being a champion archer or in some cases just being better than we were the day before. It is important to celebrate our successes in life.

During the last two weeks we had an interschool swimming event where one of our students was very successful. She won multiple races in the under 14's event when she is only 12. The school was also fortunate enough to attend the regional athletics carnival, where our students excelled and many were able to either come first, second or do their best in the events.

We look forward to our school awards night. This is another time when we as a school celebrate the successes of our students throughout the year. There are awards for academia, community service, music, sportsmanship, citizenship and technology. This night is important for all students. To those who are receiving an award it is a time of reward for their efforts throughout the year. To those who maybe are not receiving an award, it is a time to set their goals and re-align for the next year to come and push to succeed for themselves.

We would love for you to join us on Tuesday the 14th December at Leven Theatre in Ulverstone to celebrate as a family the successes of our students.

God bless,

BIBLE CRUMBS

Finishing What You Started

“Looking unto Jesus the author and finisher of our faith; who for the joy that was set before Him endured the cross, despising the shame, and is set down at the right hand of the throne of God.” – Hebrews 12:2

After high school I went to study at TAFE to complete a Diploma in Marketing and Advertising. I ended up leaving after a year and entered the workforce without ever completing the course. The incomplete Diploma hung over my head like a grey cloud for about three years before receiving a letter from TAFE Queensland.

The letter advised that the course was about to change. What this meant was that everything I had done would not be recognised unless I completed the course in two years. I only had six units to complete, and I did it within a year while working full-time! I remember how good it felt to finally finish something that I had set out to complete. I never used that qualification for anything significant to work in marketing and/or advertising, but the grey cloud was gone. I had conquered what I was meant to do.

This week NWCS celebrates the first year 12's, (who were also our first year 11's) Emily and Brooke who have successfully completed their schooling from kindy to high school. We had a celebratory dinner to recognise this awesome achievement!

Year 11 and 12 have only been a recent opportunity at NWCS. The work to set this up was gruelling and took a lot of effort from the staff to set up. Emily and Brooke should take a moment to soak in and realise that they have demonstrated and affirmed the efforts by NWCS to set up year 11 and 12. But not only this, they have demonstrated to the year 11 class that it can be done.

The Bible verse above says that Jesus starts and finishes our course of faith. It goes on to say that He endured the cross and shame for the “Joy set before Him”. The joy that Jesus could see was a whole lot of people that would see Him as the Creator and Saviour of the world; people like you and me, and our students. Jesus completed and will complete everything He said He will set out to do.

Jesus is our prime example of finishing what we start. Congratulations to Emily and Brooke. May you walk with God's blessings in the next chapter which Jesus will author.

AWARDS

Congratulations to the following students who have received awards!
Keep up the great work!

GENERAL

New Sign-in Sign-out System

The school now has a new sign-in/out system. You will still need to use your check in app on arrival as well as our new electronic iPad system at reception. The staff are on hand to walk you through the process. This new system is for all visitors, students, parents, etc.

Activity Week

Last week, while the senior students were on camp, year 5-8 enjoyed different activities each day. We all had lots of fun and lots of happy memories were made!

Presentation Night

Please note that our Presentation Night is on the 14th of December. There was an error in the last newsletter stating that it was on the 13th. It will be held at the Leven Theatre in Ulverstone and will commence at 6pm. All are invited to attend.

Picnic Days

The Year 5-12 picnic will be held on December the 10th and the Kindy – Year 4 picnic will be held on December the 13th. More information will be sent home closer to these dates.

High School Camp

It was very quiet at school last week with our senior students on camp travelling around our state. They explored the West Coast, made their way down south to Hobart and then travelled back to the NW coast.

Year 12 Celebration Dinner

Last night we were very excited to celebrate our graduates of our first year 12 class. We enjoyed a lovely dinner at Sweet-Ness Café in Wynyard. Thank you to the team there for hosting a wonderful evening.

NWCS STAFF AND STUDENT ACHIEVEMENTS

NWCS is so full of talent! We are so proud of all of our Students and Staff and would like to recognise some special achievements below.

REGIONAL ATHLETICS CARNIVAL

Our students were able to attend a recent regional athletics carnival at Dial Athletics Park. They represented the school with pride and passion. The students produced their best efforts and we are very proud of them and what they achieved on the day. We wish to celebrate the success of all our students who attended. Well done! The school would also like to acknowledge the following students who were able to place on the day:

Aneizya Caperida – 1st 400m, 2nd Long Jump, 2nd 100m and 3rd 200m.

Oscar Richards – 2nd Discuss and 3rd High Jump.

Uriah Leo – 1st Javelin, 1st Long Jump, 3rd 100m and 3rd Shot Put.

Mikayla Beaty – 3rd 100m and 3rd 400m.

Jashobeam Ackland – 2nd 1500m.

Well done to all our students who participated and performed well at the carnival; Including also Alex Davidson, Tarkine Stafford, Amity Walker, Elana Tuaoi and Edward Howe. The school is very proud of you all!

MR. DON ACKLAND

Our very own bus driver, Mr. Ackland (Snr.) and his wife, Gaye Ackland, made us very proud at the Deloraine Show. They were one out of six studs represented at the show and had 2 Angora Goat fleeces entered. Their Doe fleece in class 11 was awarded 1st prize and their Buck fleece was also awarded 1st place.

The Acklands also brought home the 'Reserve Champion' ribbon for their Doe fleece for the overall placings of each class.

We are very proud of them. Congratulations!

MADDIE BEHRENS

On Thursday the 25th of November, Maddie Behrens was able to represent the school in swimming at the NW Christian Schools Swimming Carnival.

She certainly represented very well!

Maddie was swimming in the Under 14's despite being 12 years old.

She wanted to swim up a level as they "had more races to swim in".

Maddie's results were:

100m freestyle final – 1st

50m freestyle heat – 1st

50m freestyle final – 4th

50m breaststroke heat and final – 4th

50m backstroke final – 1st

50m backstroke heat – 2nd

Maddie's overall result was the U14 girls runner up champion. Congratulations Maddie, we are very proud of you!
